Citysearch Editorial Review

By Erin Behan

An indoor light show to get even the most grumpy traveler into the holiday spirit.

In Short

Lasers bring the constellations on the ceiling of the main concourse to life in the familiar holiday shapes of snowmen, skiers and city landmarks. Holiday music sets the tone for each of the six rotating shows, on the hour and half hour. Look up for a special show in honor of the 100th anniversary of the subway system. Even harried commuters have been known to pause at the dazzling lights above.
