

Dungeons of Avarice is a **dungeon-crawling** roguelike in which you can battle your way through a brand new **randomly-generated** level each time you play! Collect **gold** to unlock new weapons and abilities. **Challenge your friends** to local co-op to see how long you can survive in this **endlessly replayable** adventure!

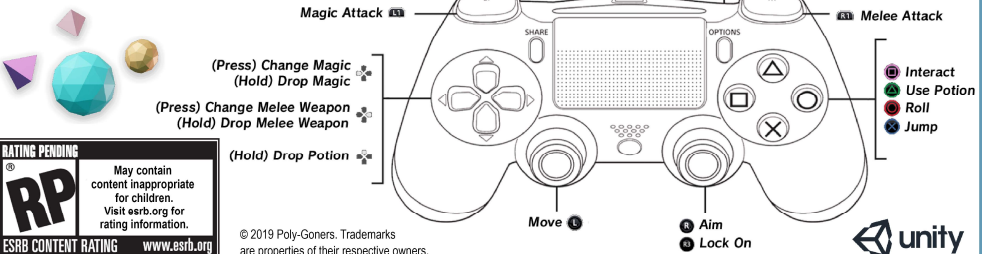

- Dungeons of Avarice includes:**
- Over 60 weapons to collect & unlock
 - 9 unique types of magic attacks
 - More than 70 playable characters
 - Explore dungeons with distinctive themes
 - Play alone or with a friend!
